SWINGING DOWN A LANE

Here we are at the end of another winter season of bowling, and we would like to extend our congratulations to all the Teams, high series and high game winners in all the leagues.

At Palos Verdes Bowl the management and employees are walking around with their heads held a bit higher, and rightfully so. Pat Forrester who is night bowling manager of P.V. tells me they were highly complimented by the committee of the Bowl Down Cancer Tournament for having the highest percentage of bowlers participate in this worthy cause.

The ladies major trio on Wednesday nights and the ladies Thursday scratch league donated 100 percent. Pat wants every one to know how much P.V. appreciates their thoughtfulness and thanks them very much.

I just had a most interesting conversation with Mrs. Wilma Goden, wife of Al Goden who sponsors and bowls on the 835 men's scratch Goden Enterprises league. Al carries a 168 average. Wilma bowls on four leagues a week, the P.V. Ladies Classic travel, Ladies Major Scratch Trio, Tuesday mixed four scratch and on Thursday the Crazy Eights. Wilma carries a 170 average.

And that is not all. The Godens are the proud parents of three mighty nice children: 18-year-old Alexyne who bowls on the Thursday Mixed Five Average 155, Pat Goden who bowls on the P.V. High average, and recently rolled a 602 series, and Paul Goden who is not going to let any one get ahead of him for he is starting out very young, only six years old. Already he watches his spot and rolls a hook ball. Last week, Paul came up with games of 93, 123, 112 a 328 series. Good bowling, Paul keep up the fine work and you will be a star bowler someday.

Mr. and Mrs. Goden are to be complimented on their nice family. They teach their children to respect other people on the lanes. Sportmanship is the key to good bowling for them.

Mrs. Goden tells me she will not use the bowling center for a baby sitter. When her children bowl she is there to watch them, not as a disciplinary measure but to help them, if needed.

There should be more mothers and fathers like the Godens. "Oh yes" young Paul is going to be signed up for the Bantam league

this summer.

The following men bowling on the Happy Eight scratch - on Monday night are up for the Bowling Proprietors' Awards: Bill Taylor, 650; Bob Adam, 653; and Bud Lynd, 279 scratch game. On the 850 scratch league are Vince Chavez, 650, and Dwayne Kidwell, 660. Congratulations gentlemen.

On the P.V. Forresters league Wilma VanCamp carries a 141 average and rolled a 212. Clarence Page, 233, and D. J. Nelson, 234.

On the Kaiser Permanente league, Tony Ivcevicich a 205, Bob Schrader, 210, and Ron Lucke, 213.

The Huston Fearless league are indeed fearless with Audrey Richter rolling a nice 212. Bob Berkhan carries a 141 average and rolled a 205. Murray Cairns has a 159 average and surprised himself with a 244 scratch game. Walt Schult's 208 and Dot Lindsay went up the ladder with games of 136, 137 and 138.

Thelma Furgerson bowling on the Chatter League, carries a 138 average and bowled a 213, finishing up with a 557 series. Nice bowling, Thelma. Bill Junge could not be stopped. He went for three over two hundreds and made it with 206, 235, 202, a 643 series, we call that all around good bowling, Bill.

Team six on the 860 scratch league had three of its five members rolling over 600. Paul Harris, 234, 171, 204, (609). Wally Christian, 258, 209, 180, (647). Harry Lingo, 230, 204, 176, (610). Bob Adams almost made it with a 22 and a 223, then the fire went out. Better luck next time, Bob.

The Tuesday Mixed Four Scratch has something to brag about. Tom Sutton rolled a 228, George Kurz a 202,

Dr. A. Van Dyke, 212. Here is Wilma Goden again rolling a 234. Mike Prete, 223, Virginia Childres, 213, Murray Holmes, 221 and John Leubs matching a pair of 203 games and finishing up with a fine series of 585.

On the Sunday morning Father-Son League, Morey Holmes rolled a 268 game and received congratulations from all his team mates.

In the teen department, Pat O'Donnell, bowling in a match game, rolled a 700 series. Norman Geffen Jr., bowling with the P.V. pockets, came up with a 652 scratch game. If these young people keep up his kind of bowling, we are in for a lot of fine professional bowling in a few years.

We would like to extend our congratulations to Burt and Kathy Stafford on their second wedding anniversary. May they have many more.

Over at the Gable House Bowl, the Don Wilson Builders League finished their winter season with some mighty fine scores. On the winning team we have Pauline Griffith, S. M. Griffith, Glenn Cheshire, Rosie Wilson and Hubby Bob Wilson.

High series goes to Ed Sanders with a 721 and to Bonnie White for a 666. Glenn Cheshire took high game trophy for the men with a 272, and Kay Heeg was not far behind with a nice 264. High series scratch went to Ed Sanders for a

604 and to Ada Delp for her 565. High game scratch goes to Richard Call, 233, and to Ada Delp for a 206. Ada did real well for herself. We are happy for her, she is a real fine gal.

Now there always has to be a last place team. No matter how hard they try to come out on top, they just can not seem to make it. So we will give these nice people honorary mention for their efforts. Lu Baker, Pat Barker, Kay Heeg, Tony Heeg and Bob DeVille. Remember there is always next season. Good bowling but above all good sportsmanship.

Our Torrance Firemen are real proud of their achievement, they brought home 24 trophies, the greatest number for any city in this year's tournament.

In addition to the second and third place in team events I reported earlier, they earned the following:

33 trophies were awarded for the doubles, Bill Orr and Al Calsido took 11th place with 1215. H. Treskes and T. Salce 19th place with 1206.

65 trophies were awarded for the singles. Fourth place, Bill Orr, 677; sixth place Ed Graboski, 658; 26th place G. Breyer, 633; 49th place J. Bowen, 615; 51st place S. Martin, 611; and 57th place went to W. Fenger with a 609.

30 trophies were awarded for all events.
